SUPPLIER INVITATION

Dornie & district community trust would like to invite all trades and suppliers to get in touch for more information on upcoming tender specifications. We invite all suppliers to make enquiries and offers of support to the above email address and tender specifications will be issued once released. All tender specifications and official release construction drawings will be available on the DDCT website for public viewing and download.

DDCT anticipate that we will require the following trades and contractors: groundworks, brickie and masonry, joinery, renewables, plumbing and heating, electrical, floor screeding, roofing, taping and filling, plastering, tiling, decorating, commercial kitchen fitting and shop fitting.

DDCT anticipate that we will require the following suppliers: general building suppliers, concrete and masonry products, timber, plasterboard, insulation, doors and windows, 2nd fix joinery products, roofing, material handling, scaffolding, renewables, plumbing and heating, electrical, concrete and epoxy resin floor screeding, decorating, tiling, shop and café fitting products, commercial kitchen and ventilation supplier.

If you feel you can assist in our project in any way, then please contact us or send a tender with the attached specification. Tenders will be formally presented by the construction manager and considered by the DDCT for selection.

If you have any questions, please get in touch.

Kind regards

Michael MacKinnon
